As part of our ongoing objective of achieving excellent customer service, all departments and locations within the University community have been assigned a dedicated Payroll Generalist to assist administrators with payroll inquiries. Please see the chart below for your representative's name and contact information.

Please note that your employees who may wish to contact Payroll directly should continue to use our main payroll line @ (412) 624-8070, and accounting inquiries related to payroll should still be directed to the accounting staff.
