

NOTICE TO EMPLOYEES
UNIVERSITY OF PITTSBURGH – TITUSVILLE PANEL

HEALTH CARE PROVIDER PANEL AND PROCEDURES

IN CASE OF A WORK- RELATED INJURY:

1. **You must immediately report the injury to your supervisor.** In order to ensure prompt attention to your claim, the Office of Workers' Compensation (phone # 412-624-1198, fax # 412-624-1817) requires a copy of your accident report within one business day.
2. To ensure that the University of Pittsburgh will pay bills associated with medical treatment, you **must** select from one of the licensed physicians or health care providers listed below.
3. Medical care **must** be provided by one of the designated providers listed below for the first 90 days from your first treatment.
4. If you require emergency medical care, you may seek treatment at the closest Emergency Department for your initial care, but any additional medical treatment must be obtained by one of the providers below.
5. You are required by law to treat with one of the designated providers listed below for 90 days from the date of your first visit. Failure to treat with these providers will result in the University denying responsibility for payment of bills for the first 90 days of treatment.
6. After the 90-day period, if continued treatment is prescribed, you may choose to go to another licensed physician or health care provider for treatment. However, you must notify Workers' Compensation of this action within five (5) days of visit to the provider of your choice. Bills associated with such treatment of a work-related injury/illness will be paid if the licensed physician or health care provider files reports as required. (These reports must be filed within 21 days after the first visit and at least once a month for as long as treatment continues.)
